HONORING OUR

Temple Emanuel welcomes each of us to embrace the Jewish experiences we find most meaningful.

What experiences in the congregation have nourished your connection to the Temple?

Do you most enjoy working for social justice or passing traditions on to our children? Do you cherish your time learning about Judaism? Have you made good friends here who give you a sense of community? Has our clergy guided you through moments of sadness or joy?

By bringing treasured memories to Jewish lives, Temple Emanuel creates for each one of us our own special Jewish legacy.

In honor of the legacy you have received, we urge you now to support Temple Emanuel's future with a gift to the Warren G. Stone Rabbinic Endowment.

What is the Endowment?

The Temple Emanuel Warren G. Stone Rabbinic Endowment is an investment in our congregation's future. Its sole purpose is to assure that we will have the funds to support a full-time rabbi for generations to come.

Engaging a rabbi is one of the largest financial commitments any congregation faces. Like many other congregations, we are planning ahead to be certain a rabbi will always be at the center of our unique community.

We named the Endowment after Rabbi Stone as a tribute to his 18 years of active leadership at Temple Emanuel. As a long-term initiative, the Endowment will outlast any single rabbi who may lead our congregation.

Gifts to the Endowment will be invested to generate an even larger pool of funds dedicated solely to the future costs of rabbinic services. This will prepare our congregation for the future, freeing up more resources each year to devote to the myriad ways we each connect with the Temple.

YOUR GIFT NOW IS VITAL

Temple Emanuel's legacy to you is an array of educational, social and spiritual opportunities for every phase of your family's life. Your generous gift to the Warren G. Stone Rabbinic Endowment today honors that legacy and preserves it for the future. With your support, we assure a rabbinic presence in the lives of our children, grandchildren and great-grandchildren.
